Halito,

The Choctaw Nation of Oklahoma requires an original notarized statement to accommodate your request to cancel your own Voter Registration or cancel on behalf of a tribal member of which you have legal guardianship. That statement is included with this letter. In order to process your request, all fields must be completed with the information clearly printed and the services of a public notary obtained prior to mailing your request to the Voter Registration Department.

If you have received any Voter Registration Certificates, you may return those documents with your request or securely dispose of these documents yourself as they contain sensitive information.

Once we receive and process your request, your status will be recorded as a Non-Voter in our registry and your information will be withheld from the Voting List. This will in no way affect your Tribal Membership or Certificate of Degree of Indian Blood (CDIB).

In the future, we hope that you will reconsider your choice. You can register to become a Voter by completing the Voter Registration Form located at [www.choctawnation.com/vote](http://www.choctawnation.com/vote) or by calling our office to request a form.

Yakoke,

Voter Registrar

*Until 1971, Choctaws were not allowed to elect their own tribal leaders. Chiefs were appointed by the President of the United States. After ratification of the Indian Self Determination and Education Assistance Act, Choctaws were allowed to have their own Tribal Constitution to govern these matters. With this came the responsibility and privilege of voting.*
