This handbook was prepared by the Choctaw Nation of Oklahoma's Tribal Maternal, Infant and Early Childhood Home Visiting Program, Head Start Program, Child Care Development Fund Program and Child Care Program. Our purpose was to provide a community-based resource directory for early childhood services for parents and others to locate needed information.

The printing costs for this resource handbook was provided by federal funding awarded to the Choctaw Nation through the Tribal Early Learning Initiative (TELI), Administration for Children and Families (ACF), Health and Human Services.
