Dear Choctaw Nation of Oklahoma.

You are receiving this message as a current grantee of National Children's Alliance. We realize that there are some there are some limitations to the way the federal dollars may be used under your current grant. NCA is committed to this project and will add to your current grant from our non-federal budget, a \$1000 stipend. These funds can be used to aid in any costs that your organization may incur for the project which are not federally funded, such as food and snacks purchased for MDT meetings, artwork for your center, or promotional materials, etc. Please spend the dollars however you see fit to best serve the Choctaw Nation of Oklahoma Children's Advocacy Center.

Once you have determined what you will cover with the stipend, please email me a short description of how you utilized the \$1,000 and how it helped your center. As these funds are separate from your grant with NCA, you will not be required to submit receipts or supporting documentation to detail your purchases. Following your email, I will include the funds in addition to your next grant reimbursement payment as our billing cycle allows. Please make sure to utilize the stipend by the end of this year.

Please don't hesitate to reach out if you have any questions and thank you once more for all of your hard work to keep children and families safe and free from abuse.
