In the event of the death of any of the owners to whom under the terms of this lease rentals are to be paid direct, all rentals remaining due and payable shall be paid to the official of the Bureau of Indian Affairs having jurisdiction over the leased premises. This provision is applicable only while the leased premises are in Trust or Restricted status.

This lease is subject to the following provisions:

1. "SECRETARY" as used herein means the Secretary of the Interior or his authorized representative.
2. US/WE/ARE - as used herein, means the Secretary or Bureau of Indian Affairs (BIA) and any Tribe acting on behalf of the Secretary or BIA.

4. PAYMENT OF RENT - Rental payments must be made in accordance with the payment schedule contained herein. Unless otherwise provided in the lease, rent payments may not be made or accepted more than one year in advance of the due date. Rent payments are due at the time specified in the lease, regardless of whether the Lessee receives an advance billing or other notice that a payment is due. If the lease provides for payment to be made directly to the Indian landowners, the form of payment must be acceptable to the Indian landowners. The lessee must retain specific documentation evidencing proof of payment. Upon request, the lessee agrees to submit proof of payments to the approving officer, in the form of canceled checks, cash receipt vouchers, or copies of money orders or cashier's checks. Such proof of payment may cover any or all rents due and payable under the terms of this lease contract. Rent payments made directly to the Indian landowners must be made to the parties specified in the lease, unless the tenant receives notice of a change of ownership. Unless otherwise provided in the lease, rent payments may not be made payable directly to anyone other than the Indian landowners.

While the leased premises are in Trust or Restricted status, the Secretary may, in his discretion, and upon notice to the Lessee, suspend direct rental payment provisions of this lease in which the rental payments shall be paid to the official of the Bureau of Indian Affairs, if:

- (c) The Lessor(s) is found to be in need of assistance in managing or administering his or her property, including his or her financial affairs as determined by a court of competent jurisdiction or another federal agency where the federal agency has determined that the Lessor(s) requires assistance in managing or administering his or her financial affairs; or

(d) After the Secretary makes an evaluation and determines that the direct payments should be discontinued after consultation with the Lessor(s).

5. INTEREST - It is understood and agreed between the parties hereto that in the event that any installment of rental is not paid within ten (10) days after becoming due, interest at the rate of twelve percent (12%) per annum upon such delinquent installment of rental will become due and payable from the date such rental became due until paid. Unless otherwise provided in the lease, such interest charges and late penalties will apply in the absence of any specific notice to the Lessee from us, and the failure to pay such amounts will be treated as a lease violation.
6. SPECIAL FEES - The following special fees will be assessed to cover administrative costs incurred by us in collection of the debt if rent is not paid in the time and manner required, in addition to any interest that must be paid to the Indian landowners.

If construction does not occur, or is not expected to be completed within the time period specified in the lease, the lessee must provide the Indian landowners and BIA with an explanation of good cause as to the nature of any delay, the anticipated date of construction of facilities, and evidence of progress toward commencement of construction. Failure to comply with these requirements will be considered a lease violation and may lead to lease cancellation.
9. INSURANCE. Lessee must provide insurance necessary to protect the interests of the Indian landowners and in the amount the amount sufficient to protect all insurable permanent improvements on the premises. The insurance may include property, crop, liability and casualty insurance, depending on the Indian landowners' interests to be protected.
