COOPERATORS AGREEMENT

17. I do hereby certify that I am the landowner or that I have obtained the exclusive deer hunting rights on all lands listed which includes each landowner's permission to harvest antlerless deer. I further attest that I will obey all hunting and fishing laws and DMAP permit regulations and that I will cooperate fully with Department wardens and biologists. I attest that all information supplied is accurate and true and recognize that any misrepresentation may invalidate this application. I agree to tag and report all deer harvested on the property and provide required information from all deer harvested. I also recognize that DMAP tags may or may not be issued depending on the management needs and the merits of the case.

Signature _____ Date _____

18. For renewal applicants only. We received _____ DHEP tags last year. We request _____ DHEP tags this year. NOTE: new first year DHEP cooperators are not issued DHEP tags.

19. LANDOWNER INFORMATION All acreage included on this application must be listed below. You must provide the name of the landowner or company representative of each different property (personally owned, family owned, leased, or hunted free). Other requested information about each landowner or company must also be completed fully. Use additional sheets if necessary. A high quality copy or copies of a geological survey map (topographic), aerial photo, tax office property map, ASCS map, SCS map, Google Earth map, or timber company tract map will suffice. The map scale should be indicated. All property boundaries must be clearly and accurately marked. If more than one tract of land is involved, delineate the boundaries of each tract or lease separately and identify each property on the map. The list and acreage of the properties delineated on the map should match the list and acreage listed on your DHEP application.
