

CHAHTA ACHVFFA

Two-Step Verification

Create another layer of security for your Chahta Achvffa Portal account by utilizing Two-Step Verification

HOW TO SETUP:

◆ LOGIN

Login to your Chahta Achvffa Portal account.

◆ SECURITY PAGE

Scroll to Quick Links, click Security and the 'Enable' button.

◆ PHONE NUMBER & PASSCODE

Enter your cell phone number, click 'Save & Send'.

You will receive a passcode instantly on your cell phone.

◆ VERIFY

Enter the passcode and click the 'Verify' button.

◆ ENABLED!

Two-step verification is now enabled.

◆ ENHANCED SECURITY COMPLETE

You will receive a passcode to verify your account each time you login. (Each passcode will be different)

Two-Step Verification can be enabled or disabled at any time through the same process within your Chahta Achvffa account. Disable and logout in order to change to a different active phone number. If you no longer have access to the phone number associated with your Two-Step Verification setup, contact the Technical Support phone number below.
