

## FINDING OUT ABOUT SOMEONE

*Look at the Model 3 sentences for guidance on doing this activity. Get a partner, other than the one you sit next to everyday. Ask these simple questions about that person.*

- |                                   |                                     |
|-----------------------------------|-------------------------------------|
