

CHAHTA ANUMPA II
Chapter Seventeen - Lesson 4

Chapter 17: Isht Bihli Anumpa (Directional Particles)

Lesson 2: Model 3 Sentences

Starter: Students will give the greeting, date, and weather. Students will engage in dialogue with a prepared question and give impromptu responses.

Speaker 1: Katimi ho ohoyo vt bok misha i t^unnv^up hikia?

Speaker 2: Allow for individual responses.

Objective: Students will learn Model 3 sentences and complete activities to reinforce the usage of directional particles.

Presentation of new material: Model 3 Sentences

- | | |
|--|------------------------------------|
| a) Simv ^u noli yvt katimma pila ia <u>ch</u> i? | a) Which way will the Seminole go? |
| b) Falv ^u mmi pila ia bv ^u nna tuk. | b) (He) wanted to go north. |
| c) <u>I</u> ki micha ishki yvt misha ia tuk. | c) His dad and mom went that way. |
