

PONY BEAD BRACELET

HOW TO

SUPPLIES NEEDED:

Stretch beading cord (clear 5 mm or 7 mm)

Pony beads

1. To start cut a string that is approximately 5 feet long
2. Place 3 beads of the same color and 3 beads of another color in the center of the string
3. Run one side of the string through 3 beads of the same color
4. Alternate the two colors and pick up 3 beads of the opposite color and run the string back through those beads.
5. Repeat step 4 by alternating the colors to fit the size of your wrist.
6. To finish run the strings back through the very first group of 3 beads to join the beads creating a circle, and then tie a knot.
