In the event of the death of any of the owners to whom under the terms of this lease rentals are to be paid direct, all rentals remaining due and payable shall be paid to the office of the Bureau of Indian Affairs having jurisdiction over the leased premises. The provision is applicable only while the leased premises are in Trust or Restricted status.

The lease is subject to the following provisions:

1. "SECRETARY" as used herein means the Secretary of the Interior or his authorized representative.
2. "US/WE/OUR" as used herein, means the Secretary or Bureau of Indian Affairs (BIA) and any Tribe acting on behalf of the Secretary of BIA.
3. INTEREST. It is understood and agreed between the parties hereto that in the event of any installment of rental is not paid within ten (10) days after becoming due, interest at the rate of eighteen percent (18%) per annum upon such delinquent installment of the rental will become due and payable for the date such rental became due until paid. Interest charges will apply in the absence of any specific notice to the Tenant from us or the Indian landowners, and failure to pay such amounts will be treated as a lease violation.
4. SPECIAL FEES. The following special fees will be assessed to cover administrative costs incurred by the United States in the collection of the debt if rent is not paid in the time and manner required, in addition to any interest that must be paid to the Indian landowners.
 Tenant will pay: For:
 (A) \$50.00..... Administrative fee for dishonored checks.
 (B) \$15.00..... Administrative fee for BIA processing of each notice or demand letter.
 (C) 18% of the balance due..... Administrative fee charged by Treasury following referral for collection of a delinquent debt.
5. CARE OF PREMISES. It is understood and agreed that the lessee is to keep the premises covered by this lease in good repair. He shall not commit or permit to be committed any waste whatsoever

on said premises. He shall not destroy or permit to be destroyed any trees except with the consent of the Lessor and the approval of the Secretary.

6. AMENDMENTS, ASSIGNMENTS, and SUBLEASES. Unless otherwise provided herein, amendments, assignments, subleases, or mortgages of the leasehold interest are authorized, but only with the written consent of the parties to the lease in the same manner, the original lease was approved, and with the approval of the Secretary.
7. RESERVATIONS. It is understood and agreed that the lessor reserves the right to make mineral, business, signboard, industrial, sand, and gravel leases and/or permits, and to grant the rights of way to other legal grants on the premises covered by the lease. In the event such lease or grant is made, the lessee hereunder shall be entitled to damages for the actual loss sustained by him/her on account of said lease or grant and to nothing more. The period for which damages may be claimed by the lessee is limited to the lease year the damage occurred. It is further understood that in the event of a dispute between the lessor hereunder and the lessee, grantee, or permittee under any mineral, business, signboard, industrial or sand and gravel permit or lease or right of way and other grants, as to the number of actual damages, the matter will be referred to the Secretary who shall be the sole and final judgment as to the amount of the said damages incurred.
8. RELIQUISHMENT OF SUPERVISION BY THE SECRETARY. Nothing contained in this lease shall operate to delay or prevent termination of Federal Trust responsibilities with respect to the land by the issuance of a fee patent or otherwise during the term of the lease; however, such termination shall not serve to abrogate the lease. The owners of the land and the Lessee and his surety or sureties shall be notified by the Secretary of any such change in the status of the land.
9. UNLAWFUL CONDUCT. The lessee agrees that there must not be any unlawful conduct, creation of a nuisance, illegal activity, or negligent use of waste on the leased premises.
10. COMPLIANCE WITH LAWS. Lessee must comply with all applicable laws, rules, orders, ordinances, regulations, and other legal requirements of the City, County, or State Governments, and of any department or bureau of them, and of any other government authority having jurisdiction over the said premises affecting the lessee's occupancy of the said demised premises or the lessee's business conducted thereon, including tribal laws regulating activities on agricultural land, environmental protection, and historic or cultural preservations, but only as far as these laws, regulations, ordinances, and requirements are violated by the conduct of the lessee's occupancy.
11. IMPROVEMENTS. Unless otherwise provided herein, it is understood and agreed that any buildings or other improvements placed upon the said land by the lessee become the property of the lessor and will remain on the leased premises upon the expiration or termination of the lease, providing it is a condition satisfactory to the Indian landowners and us.
12. VIOLATION OF THE LEASE. It is understood and agreed that violations of this lease shall be acted upon in accordance with the regulations in 25 CFR 162. BIA may, at its discretion, treat as a lease violation any failure by the lessee to cooperate with a BIA request to make appropriate records, reports, or information available for BIA inspection and duplication. We may treat any provision of a lease document that violates Federal law as a violation of the lease.

13. ASSENT NOT WAIVER OF FUTURE BREACH COVENANTS. No assent, express or implied, to any breach of any of the Lessee's covenants, shall be deemed to be a waiver of any succeeding breach of any covenants.
14. UPON WHOM BINDING. It is understood and agreed that the covenants and agreements hereinbefore mentioned shall extend to and be binding upon the heirs, assigns, successors, executors, and administrators of the parties of this lease. The obligations of the lessee and its sureties to the Indian landowners are also enforceable by the United States and the Choctaw Nation of Oklahoma on behalf of the Bureau of Indian Affairs, so long as the land remains in trust or restricted status.
15. UNAUTHORIZED USE. Any use of the leased premises for an unauthorized purpose, or a failure of the tenant to maintain continuous operations throughout the lease term, will be treated as a lease violation.
16. VALIDITY. This lease, and any modification of or amendment to this lease, shall not be valid or binding upon either party hereto until approved by the Secretary.
17. BOND. The lessee shall furnish such a bond as may be required by the Secretary with satisfactory surety to guarantee compliance with the terms of this lease. Choctaw and Chickasaw Nations have both agreed to waive this requirement.
18. INDEMNITY. Unless the lessee would be prohibited by law from doing so, the lessee agrees to hold the United States, The Choctaw Nation of Oklahoma, The Bureau of Indian Affairs, and the Indian landowners from any loss, liability, or damages resulting from the lessee's use or occupations of the leased premises; and the lessee also agrees to indemnify the United States and the Indian landowners against liabilities or costs relating to the uses, handling, treatment, removal, storage, transportation, or disposal of hazardous materials, or the release or discharge of any hazardous material from the leased premises that occurs during the lease term, regardless of fault, with the exception that the lessee is not required to indemnify the Indian landowners for liability or cost arising from the Indian landowners' negligence or willful misconduct.
19. INTEREST OF MEMBER OF CONGRESS. No member of, or delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise here from, but this provision shall not be construed to extend to this contract if made with a corporation or company for its general benefit.
20. ENTRY ON PREMISES. The Secretary, BIA, Lessor, or Tribe with jurisdiction over the land, may enter the leased premises at any reasonable time, without prior notice, in accordance with 25 CFR 162.464, to protect the interest of the Indian landowners and ensure that the tenant is in compliance with the operating requirements of the lease. When locks are placed on gates a key or combination code must be furnished to BIA or Choctaw Nation Lease Compliance Officer within 30 days of placement of the lock. If not provided, the lock may be replaced with a Choctaw Nation lock, and you will need to coordinate with the Lease Compliance Officer to obtain a key or combination code to gain access.
21. INSURANCE. Lessee **must** provide insurance necessary to protect the interests of the Indian landowners and in the amount sufficient to protect all insurable permanent improvements on the

premises. The insurance may be property, crop, liability, and casualty insurance, depending on the Indian landowners' interests to be protected. Both the Indian landowners and the United States must be identified as additional insured parties. Choctaw and Chickasaw Nations have agreed to WAIVE insurance requirements.

22. DUE DILIGENCE. If permanent improvements are to be constructed, the lessee is required to complete construction of any permanent improvements within the schedule specified in the lease or general schedule of construction and a process for changing the schedule by mutual consent of the parties. If construction does not occur or is not expected to be completed within the time specified in the lease, the lessee must provide the Indian landowners and BIA with an explanation of good cause as to the nature of any delay, the anticipated date of construction of facilities, and evidence of progress toward commencement of construction. Failure to comply with these requirements will be considered a lease violation and may lead to lease cancellation.
23. RESERVED RIGHTS. (1) The Lessor(s) reserves to themselves the right to gather all native nuts and fruits and other culturally significant products. (2) The Lessor(s) reserves the right to all water. (3) All timber and woodlands, and timber and woodland products, including any cut trees, are reserved by the lessor(s). (4) Cemeteries or burial plots on the premises.
24. DISCOVERY CLAUSE. If historic properties, archeological resources, human remains, or other cultural items not previously reported are encountered during the course of any activity associated with this lease, all activity in the immediate vicinity of the properties, resources, remains, or items will cease, and the Lessee will contact the BIA and the tribe with jurisdiction over the land to determine how to proceed and appropriate disposition. Lessee agrees that in the course of construction on the leased premises involving ground-disturbing activities, a qualified archaeologist (specified at 43 CFR 7.8) will monitor the construction site to ensure that if archaeological or historical resources are uncovered, the construction activity shall immediately be halted, and the involved area evaluated regarding the significance of the discovered resource. Within 12 hours of the discovery, the Secretary, and the Choctaw Nation Realty Department, shall immediately be notified by the Lessee's archaeologist. Upon notification of the discovery, the Secretary, or his designee, will initiate a preliminary resource assessment. At the completion of the assessment, the BIA will initiate a consultation with State Historic Preservation Officer and the Advisory Council on Historic Preservation pursuant to the required procedures at 36 CFR 800 (Protection of Historic Properties) and specifically at 36 CFR 800.11 (Properties discovered during the implementation of an undertaking) to determine the disposition of the resource. The Lessee will comply with any mitigation measures determined appropriate as a result of the consultation completed pursuant to 36 CFR 800.11. The cost of any required archaeological evaluation, mitigation, analysis, and curative actions on said premises shall be borne by the Lessee.
25. SURRENDER CLAUSE. In the event the leased lands or any part thereof are included within a defined area for public purposes by an acquiring agency having the right of eminent domain, it is agreed that the said premises included within the taking area will be surrendered and the lease canceled by the lessee upon written notice by the approving officer. Such cancellation and surrender of the premises or part thereof, because of public taking, will be accomplished at the discretion of the approving officer at the end of the then-current lease year on non-cultivated land.
26. ABANDONMENT. If a lessee abandons the leased premises, the lessee and its sureties will not be relieved of obligations contained in the lease.

27. SEISMOGRAPH EXPLORATION. The lessee shall not prohibit entry by a seismograph company nor be entitled to payment except for actual damages which may be sustained resulting from such seismograph work as specified in the basic lease contract.

28. PAYMENT OF RENT. Rental payments must be made in accordance with the payment schedule contained herein. Unless otherwise provided in the lease, rent payments may not be made or accepted more than one year in advance of the due date. Rent payments are due at the time specified in the lease, regardless of whether the tenant receives an advance billing or other notice that a payment is due. If the lease provides for payment to be made directly to the Indian landowner(s), the form of payment must be acceptable to the Indian landowners. The lessee must retain specific documentation evidencing proof of payment. Upon request, the lessee agrees to submit proof of payments to the approving officer, in the form of canceled checks, cash receipt vouchers, or copies of money orders or cashier's checks. Such proof of payment may cover any or all rents due and payable under the terms of this lease contract. Rent payments made directly to the Indian landowners must be made to the parties specified in the lease unless the tenant receives notice of a change of ownership. Unless otherwise provided in the lease, rent payments may not be made payable directly to anyone other than the Indian landowners.

While the leased premises are in Trust or Restricted status, the Secretary may, in his discretion, and upon notice to the Lessee, suspend direct rental payment provisions of this lease in which the rental payments shall be paid to the office of the Bureau of Indian Affairs, if:

- (a) The Lessor(s) dies.
- (b) The Lessor(s) request rental payments to be deposited and posted into his or her trust account instead of having the funds directly paid.
- (c) The Lessor(s) is found to need assistance in managing or administering his or her property, including his or her financial affairs as determined by a court of competent jurisdiction or another federal agency where the federal agency has determined that the Lessor(s) requires assistance in managing or administering his or her financial affairs; or
- (d) After the Secretary makes an evaluation and determines that the direct payments should be discontinued after consultation with the Lessor(s).

29. PAYMENT RIGHTS AND OBLIGATIONS. Unless otherwise provided, the Indian Landowners will be entitled to receive any settlement funds or other payments arising from certain actions that diminish the value of the land or the improvements thereon. Such payments include (a) insurance proceeds; (b) trespass damages; and (c) condemnation awards.

30. IN THE EVENT OF A SALE. In the event any or all of this property should sell during the term of this lease, the Lessee agrees to relinquish possession at the end of the calendar year from the date of such sale. It is further agreed in the event of the relinquishment as provided above, the Lessor shall refund to the Lessee the unused portion of any rental which may have been advanced prior to the date of sale. Reimbursement to Lessee for improvements, the value of which was included in consideration of the lease, will be made on a prorated basis provided such improvements are completed prior to the relinquishment date. If the improvements have not been accomplished, the Lessee will be charged on a prorated basis for the time that has elapsed to the relinquishment date.

31. DUMPING. The placing or dumping of junk, trash, carrion, rocks, or other rubbish or waste is prohibited. The Lessee will be liable and will be required to repair or make reimbursement for any damage that may be done to the premises or the actual cost of cleanup, whichever is greater.

32. **DESTRUCTION BY FIRE:** It is understood and agreed that the Lessee will practice fire control on all lands covered by this lease and will in no way interfere with Federal, State, and County officers engaged in emergency fire suppression efforts being conducted in accordance with applicable laws. Prescribed burning will be conducted only with the approval of the Regional Director or his designated representative and be conducted in compliance with all applicable laws.
33. **TRESPASS.** Lessee agrees to help protect the property from trespass, poaching, and other unlawful activities. The Choctaw Nation of Oklahoma, to the maximum extent permitted by law, hereby grants and assigns the Lessee the right to report, on behalf of the Landowners, trespassers, poachers, or other persons engaging in unlawful activities on the property. Lessee agrees to report all trespassers, poachers, or other persons engaging in unlawful activities to The Choctaw Nation of Oklahoma immediately.
34. **TERMINATION:** It is hereby understood and agreed that this agreement may be terminated upon any of the following conditions:
- A. Upon the mutual written consent and approval of both parties
 - B. Default of any aspect of this lease by the lessee
 - C. In the event that any Estate owner is probated, and heirs are determined during the term of the lease, the applicable percentage of said determined heirs shall have full right and authority to cancel the lease without the approval of the lessee by giving lessee notification of at least 90 days before the effective date of cancellation. If the rental is paid in full at the inception of the lease, the determined heirs will refund the Lessee the prorated rental due from the effective date of cancellation to the expiration date of the lease. If the rental amount is paid yearly, the determined heirs will refund the Lessee the prorated rental due from the effective date of cancellation to the end of the rental year paid. Refund is due to the Lessee by the effective date of the cancellation. Failure to refund prorated rental amount will render the cancellation null and void
 - D. Lease violation.
 - E. Death of Lessee
33. **APPROVAL.** It is further understood and agreed between the parties hereto that this lease shall be valid and binding only after approval of the Secretary.
